Terra Linna Sub Committee

What's in a name? In his usual enquiring way Millard asked recently if whilst working on the History of the yacht "Terra Linna" did I resolve what the name "Terra Linna" stood for. I think between us we have both searched to no avail. I learnt a long time ago in TAFE that if you want to know the answer to anything ask the "cleaners". So I happened to know that Maurice, our areas cleaner, has a PhD in Philosophy so who better to ask. Within 24 hours this was Maurice's response;

In Latin

"Terra" means "Earth" which could stand for "Land and Sea" (Oxford Dictionary).

"Linna" means "Line" (Oxford gets very complicated here)

In Astrology / Geologic & Morphological Terms

Linea, Lineae : A dark or bright elongate marking, may be curved or straight.

Elongate means lengthen, extend, draw out (Oxford Dictionary).

So as some of our history uncovered the hull in early days was black could "Terra Linna" stand for "the Land & Seas bright (dark) elongated lines"????

Please lets see what our readers and members can come up with. I am sure it will surpass my efforts. A bottle of Champers to the best meaning of the name "Terra Linna" and the supporting evidence. The prize will be presented at the Guild Christmas Rowing Day & Bar-B-Q on Sunday 12th December 11.00a.m. at the "Mariners Cottage".

Some members of the sub committee met with Colony 47 employees Bruno van Aaken (Program Manager) and Christopher Amourous (Business Development Manager). Bruno and Christopher outlined the business structure of Colony 47 and in particular their proposed "Argonaut" Project. The Project is seeking Tasmanian Community funds to establish a Program for the restoration and building of wooden boats. It is envisaged that Colony 47 clients would engage in the "Argonaut" project to provide them with the opportunity to gain skills and knowledge, both life and in boat building, to enable them to work effectively in the community.

The Guild has been asked to become a partner in "Argonaut" project with the intent to re-furbish "Terra Linna" to sailing condition. This would be done under the supervision of a Guild nominated Ship Wright who would guide and advise the project whilst the Guild maintains "Project Management" in

the “Terra Linna” component of “Argonaut”. There will be further discussion on this at the Guild Meeting 15th November 2004.

Calendar of Events

The following events are listed as Guild events for all to enjoy.

1. Guild Christmas Rowing Day and Bar-B-Q luncheon Sunday 12th December 11.00a.m. at the “Mariners Cottage”. BYO G&F . Rowing 11.00a.m. Lunch at 1.30pm approx.
2. Working Bees for preparation of WBF merchandise. **Note date changes please.** Sat. 18th December 2004 10.00a.m.-4.00p.m. and Sat 22nd Jan. 2005 10.00a.m.– 4.00p.m. at 185 Berriedale Rd, Berriedale 7011. BYO G&F for a Bar-B-Q. **It is critical we get a good attendance because we are completely out of all model stock.**
3. Australian Wooden Boat Festival 12—14th Feb. 2005. The Guild is offering to host a Visiting Wooden Boat Association night at the “Mariners Cottage” on the Thurs or Frid night prior to the event. This will allow our visiting Nth. Island Associations to mix it with us in Tassie.
4. Big “Wooden Boat” (small boats are still most welcome) weekend as a return visit to the “Duck Pond” Bruny Island. March 05.
5. “Tamar Raid” commencing at “Low Head Pilots Station” to meet with resident boat builder and then to row/sail onto wineries, coffee shops and B&B’s. Handicapped Time trials will be conducted. Late April 2005.

6. Snug Rowing Day followed by a Bar-B-Q at Barnett’s “Tinderbox” residence. May 2005.

7. Visit to the Wooden Boat Centre and other Huon Boat Building activities June 2005
8. Re-Visit “Muddy Creek” August 2005.

Whew!!! Sounds a lot!! But should be fun.

2004 Presidents Dinner

What a great night was had by all. Sir Lancelot did such a splendid job as MC. Thanks so much Lance. Many paid the price for not being quite politic. Members were so generous that Roscoe collected over \$150 in fines. However, one very clever member, none other than the Snr. Vice President (no pun intended) cleverly updated members with the progress cricket scores. A job well done Millard!

The “Bagman” Roscoe netted over \$150.00 in fines on the night!

As the night progressed the MC imposed additional fines for improper attire and non observance of due protocols. It must be noted that Lance and others, particularly Robin and Penny really went out of their way with incredible Gaelic attire. It all seemed so fitting for the room we had at the Hope and Anchor. As the night wore on many were looking for Hope and per-

haps an Anchor to steady the flow (or should that be plural).

Ros won the door prize & Ainesley won the title of highest “fine payer”.

The MC gathered his clan to accost the President for lack of “Dress Decorum”!! Needless to say he paid dearly for the same.

Compliments to the “Hope and Anchor” management and staff for an excellent venue, service and meal.

Seafarers Festival, Bellerive

This was a very successful day with the Guild selling all models in stock and many other items that raised over \$300.00 for the “Terra Linna” project. Many thanks to Roscoe for his organizing the new Guild banner it certainly looks pretty “ship shape”. To all members who made the effort to come along thanks for doing so because that made it so much easier on the day.

Other Guild activities this month

What a month it has been. Following the Seafest we have provided the “Teepookana” at Ian Johnston’s stall at the inaugural Tasmanian Woodworkers Show which appeared to be a great success. We have also loaned the “Teepookana to the “State Cinema” for the showing of “Huon Pine– the oldest living Tasmanian” which is a film about Huon Pine and the “Piner’s” of the West Coast. A local film maker has made the film which is based on Garry Kerr’s book the “Huon Pine Story”. I commend it to members viewing. The Guild can arrange a Group Booking @ \$8.50 / member, a saving of \$4.00.

Also, some members have attended the marine art exhibition of Bill Mearns at the “Saddlers Court Gallery” Richmond. Graeme Hunt and Bill Foster recommend a visit.

Clothing for the WBF 2005

One of the Committees considerations recently has been the commissioning of the Cornish Overshirt/ Smock as a quality clothing item to be sold at the WBF. Remember the one sold at the 95 WBF? Well just like that! We can have a local “small run” clothing manufacturer, “Too Funky”, make the item up for us at a total cost \$45.00 + GST. This includes the material being the same weight and texture as the last one but with a brushed finish inside, and two logos “Silk Screen” printed on it. Or if we wanted the logos embroidered slightly dearer.

The purpose of the two logos would be to place the WBGT logo on the smock for members as well as the “Terra Linna” Project Logo. Those sold to the public would only have the “Terra Linna” Project logo on it.

The Guild would have to sell the Smocks for approx \$80.00. Same price for members and the public as members would have two logos. Any comments?

What's Noel up to now?

Well I heard on the grapevine that he is back into furniture building. No its not Noelene's long awaited China display cabinet but a dining room table!

Noel's fine work again taking shape.

Yes Noel responded to Graeme Hunt's request of members to volunteer on the “Preanna” project. What a great looking job Noel!!!

Just a few shots of how this project is coming along all courtesy of Noel.
